Paul Stewart

I have had the pleasure of working with Paul for the last 12 months as part of our Safeguarding development at Watford Football Club. I have always found him to be a fantastic support and very knowledgeable in his field.

He is Reliable and always available even at short notice to help in any way that he can.

His training style is impactful, hard hitting and factual, exactly what Safeguarding is about.

People want to hear his story and he is a great communicator.

Paul has also provided our club with confidential support services, he is discreet, professional and above all else trustworthy. Paul is somebody who can capture the attention of a room and keep it. I would recommend him without hesitation.

Kim Pearce, head of Safeguarding, Watford Football club
